Experience

Content Assistance

2025 – Present

- I create basic video and image content to promote products while also managing and organizing digital assets.

E-Commerce & Listing Management (Company Website)

2024 – Present

- I manage product listings on the company website, optimizing them to ensure they have accurate descriptions and pricing, while updating the inventory as needed.

Search Engine Optimization (SEO)

2024 – Present

- I optimize product listings by applying best practices, targeted strategies, and keyword analysis, while also optimizing metadata for enhanced visibility and search rankings.

E-Commerce & Listing Management (eBay)

2024 – Present

- I list and manage products on eBay, updating stocks, descriptions and pricing when needed.

Social Media Sales & Customer Support

2023 – 2024

- I manage inquiries on social media and chat channels by resolving customer queries, responding to leads, and securing sales orders.
